PHE Dte., Govt. of West Bengal.

**Sub: Requirement of consumables for On-site Mobile Analysis System**

At present 59 nos. of On-Site Mobile Analysis Systems (OMAS) are being used in different laboratories across the State, for testing water quality in the drinking water samples at remote locations. It is also to mention that the District Consultants of various districts have informed that consumables (OMAS) for 5900 nos. of water tests which were procured earlier have already been exhausted.

In this context, he is requested to submit necessary requisition, if any, of such consumables for On-site Mobile Analysis System for testing water samples at field level for within 7<sup>th</sup> February, 2019. The requisition may be placed for conducting the tests for the next six months.

  
Superintending Engineer, WQ  
WSSO, PHE Dept., Govt. of West Bengal
