PHE Directorate, Govt. of West Bengal.

**Sub.: Performance of Water Quality Testing laboratories.**

He may be aware that a meeting was held on 18/07/2017 with the nodal Assistant Engineers (WQ) and District Consultants where it was found that performance of no. of laboratories across the State were not at all satisfactory. In this context, the copy of the presentation exhibited in meeting is being sent (through e-mail) for his information and taking further course of action towards improvement of performance of the concerned laboratories in his district.

He is also requested to provide necessary sitting arrangement for the District Consultant at the division office (Nodal Executive Engineer) and maintain attendance register for the District Consultant. This would facilitate much better monitoring and surveillance of the entire system. It is requested that visitors' book should be maintained at all the laboratories (PHED and NGO managed) where departmental officers and District Consultant will put their comments and signature while visiting the laboratory.

He is further requested to arrange monthly meeting jointly with civil and mechanical wings of the Department inviting all the concerned agencies like agencies involved in O&M of equipment, computers and peripherals, supply of manpower in laboratories etc. and NGOs managing the laboratories.

  
Director, WSSO

PHE Department, Govt. of West Bengal
