CIRCULAR

Enquiries are being received from Executive Engineers posted at different districts regarding deduction of STDS/CGST/SGST/GST from contractor's bills in PHE Dte. since introduction of GST w.e.f. 01/07/2017.

It is clarified that all Executive Engineers should release all outstanding bills by deduction of all other admissible taxes, charges viz. IT, Labour Cess etc. except STDS/TCS and TDS under GST w.e.f. 01/07/2017 until further order of Finance Department.

This is further clarified that above instruction will also hold good in case of payment of R/A bills of works subject to the condition that if a new Govt. order on deduction of STDS/TCS and TDS under GST is issued by the Govt. before release of the final bill of a vendor, then such deduction shall have to be adjusted during the release of the final claim.

All concerned should be informed immediately.
