Dated: 07-01-2021

To

The Executive Engineer

.....Division (except Planning Divisions)

PHE Directorate

Govt. of West Bengal

**Sub:** Additional requirement of fund during FY 2020-21 for HOA "Construction of overhead reservoir, pipeline and other appurtenance" (45-4215-01-102-00-011-53-00-V).

You may be aware that, there is a constraint in budgetary allocation as well as release of fund under different HOA of the state budget. At present no new schemes can be sanctioned under the HOA "**Construction of overhead reservoir, pipeline and other appurtenance**" during FY 2020-21 due to the limitation in the budget celling. However, further schemes may be sanctioned under the above mentioned HOA, if the proposed phasing of expenditure in FY 2020-21, that has been indicated in the AAFS module against different schemes, are reduced to make room for new schemes, based on the actual expenditure that is proposed to be incurred upto March, 2020.

Therefore, in order to capture the actual proposed expenditure during FY 2020-21, against all the schemes already sanctioned under the HOA "**Construction of overhead reservoir, pipeline and other appurtenance**", link to Google spreadsheet named "**Additional requirement of fund for Construction of overhead reservoir, pipeline and other appurtenance (011-53)**" under PHED applications of the Departmental Website has been provided which should be filled up positively by 14.01.2021.
