Sub.: Expedite Physical & Financial Progress in IMIS.

It is observed that coverage of habitation (Quality & Non-Quality) is not regularly updated in the IMIS through the Monthly Progress Report (MPR). The state has to fulfill targets as set in the Annual Action Plan (AAP) 2019-20 in terms of coverage of habitations. Referring to IMIS report "C38" as on date, only one district has shown habitation coverage in the current financial year through MPR.

Therefore, to expedite the process, the Nodal Divisions are requested to update the coverage of Quality and Non-Quality habitations regularly through MPR, keeping liaison with other Civil/Elec./Mech. Divisions working in the District. In this connection all the nodal divisions are also requested to send a signed copy of "C38" within 26th of the every month showing coverage of habitations during the previous month.

Chief Engineer (Head Quarters)
PHE Directorate, Govt. of West Bengal
