Dated Kolkata, the 2nd September, 2019

To
The Executive Engineer
_____, Civil / Mech. /Elec. Division (All)
PHE Directorate.

Sub : Status of power connection to the ongoing schemes.

You may be aware that a discussion was held in the review meeting chaired by the Principal Secretary, PHE Deptt. held on 04.07.2019 for a concerted effort towards commissioning of more number of Piped Water Supply Schemes. During the discussion it was revealed that availability of power connection is a major hindrance towards achieving the target.

Therefore, in order to assess the status of power connection a google spreadsheet has been sent to your e-mail which should be filled up and submitted to this office (cehq-office@wbphed.gov.in) latest by 05.09.2019. PWS Schemes which are not available in the googlesheet may be added up.

The final submission should be done by the nodal civil division after obtaining the relevant data from the corresponding Mech./Elec. Division of the district.

Encl : As stated.
